Table 4 Compliance Component - Monitoring Priorities and Indicators				
Indicator	State Target	State Results	County Results	Points Received
1. Percent of infants and toddlers with individualized family service plans (IFSPs) who receive the early intervention services on their IFSPs in a timely manner.	100.00%	99.91%	100.00%	1
2. Percent of infants and toddlers with IFSPs who primarily receive early intervention services in the home or community-based settings.	99.00%	99.49%	100.00%	1
3. See Table 3				

Table 4 Compliance Component - Monitoring Priorities and Indicators				
Indicator	State Target	State Results	County Results	Points Received
4. Percent of families participating in Part C who report that early intervention services have helped the family:				
a. Know their rights	81.19%	81.25%	100.00%	NA
b. Effectively communicate their children's needs	86.40%	85.71%	100.00%	NA
c. Help their children develop and learn	84.06%	81.11%	100.00%	NA
5. Percent of infants and toddlers birth to 1 with IFSPs compared to national data	1.09%	1.16%	1.87%	NA
6. Percent of infants and toddlers birth to 3 with IFSPs compared to national data	3.04%	3.55%	6.89%	NA
7. Percent of eligible infants and toddlers with IFSPs for whom an initial evaluation, initial assessment, and initial IFSP meeting were conducted within Part C's 45-day timeline	100.00%	99.62%	100.00%	1
8A. Percent of toddlers with disabilities exiting Part C with timely transition planning for whom the lead agency has developed an IFSP with transition steps and services at least 90 days and at the discretion of all parties, not more than nine months, prior to the toddler's third birthday.	100.00%	99.88%	100.00%	1
8B. Percent of all toddlers with disabilities exiting Part C with timely transition planning for whom the lead agency has notified (consistent with any opt-out policy adopted by the state) the SEA and LEA where the toddler resides at least 90 days prior to the toddler's third birthday for toddlers potentially eligible for Part B preschool services.	100.00%	98.80%	100.00%	1

Table 4 Compliance Component - Monitoring Priorities and Indicators				
Indicator	State Target	State Results	County Results	Points Received
8C. Percent of all toddlers with disabilities exiting Part C with timely transition planning for whom the lead agency has conducted the transition conference held with the approval of the family at least 90 days, and at the discretion of all parties, not more than nine months prior to the toddler's third birthday for toddlers potentially eligible for Part B preschool services.	100.00%	98.77%	100.00%	1
9. Percent of hearing requests that went to resolution sessions that were resolved through resolution session settlement agreements (applicable if Part B due process procedures are adopted).	NA	NA	NA	1
10. Percent of mediations held that resulted in mediation agreements.	100.00%	NA	NA	1
Timely correction of a finding of non-compliance (general supervision).	100.00%	100.00%	NA	1

Table 4 Compliance Component - Monitoring Priorities and Indicators				
Indicator	State Target	State Results	County Results	Points Received
1. Percent of infants and toddlers with individualized family service plans (IFSPs) who receive the early intervention services on their IFSPs in a timely manner.	100.00%	99.91%	100.00%	1
2. Percent of infants and toddlers with IFSPs who primarily receive early intervention services in the home or community-based settings.	99.00%	99.49%	100.00%	1
3. See Table 3				

Table 4 Compliance Component - Monitoring Priorities and Indicators				
Indicator	State Target	State Results	County Results	Points Received
4. Percent of families participating in Part C who report that early intervention services have helped the family:				
a. Know their rights	81.19%	81.25%	100.00%	NA
b. Effectively communicate their children's needs	86.40%	85.71%	100.00%	NA
c. Help their children develop and learn	84.06%	81.11%	100.00%	NA
5. Percent of infants and toddlers birth to 1 with IFSPs compared to national data	1.09%	1.16%	0.37%	NA
6. Percent of infants and toddlers birth to 3 with IFSPs compared to national data	3.04%	3.55%	2.17%	NA
7. Percent of eligible infants and toddlers with IFSPs for whom an initial evaluation, initial assessment, and initial IFSP meeting were conducted within Part C's 45-day timeline	100.00%	99.62%	100.00%	1
8A. Percent of toddlers with disabilities exiting Part C with timely transition planning for whom the lead agency has developed an IFSP with transition steps and services at least 90 days and at the discretion of all parties, not more than nine months, prior to the toddler's third birthday.	100.00%	99.88%	100.00%	1
8B. Percent of all toddlers with disabilities exiting Part C with timely transition planning for whom the lead agency has notified (consistent with any opt-out policy adopted by the state) the SEA and LEA where the toddler resides at least 90 days prior to the toddler's third birthday for toddlers potentially eligible for Part B preschool services.	100.00%	98.80%	100.00%	1

Table 4 Compliance Component - Monitoring Priorities and Indicators				
Indicator	State Target	State Results	County Results	Points Received
8C. Percent of all toddlers with disabilities exiting Part C with timely transition planning for whom the lead agency has conducted the transition conference held with the approval of the family at least 90 days, and at the discretion of all parties, not more than nine months prior to the toddler's third birthday for toddlers potentially eligible for Part B preschool services.	100.00%	98.77%	100.00%	1
9. Percent of hearing requests that went to resolution sessions that were resolved through resolution session settlement agreements (applicable if Part B due process procedures are adopted).	NA	NA	NA	1
10. Percent of mediations held that resulted in mediation agreements.	100.00%	NA	NA	1
Timely correction of a finding of non-compliance (general supervision).	100.00%	100.00%	NA	1

Table 4 Compliance Component - Monitoring Priorities and Indicators				
Indicator	State Target	State Results	County Results	Points Received
1. Percent of infants and toddlers with individualized family service plans (IFSPs) who receive the early intervention services on their IFSPs in a timely manner.	100.00%	99.91%	100.00%	1
2. Percent of infants and toddlers with IFSPs who primarily receive early intervention services in the home or community-based settings.	99.00%	99.49%	100.00%	1
3. See Table 3				

Table 4 Compliance Component - Monitoring Priorities and Indicators				
Indicator	State Target	State Results	County Results	Points Received
4. Percent of families participating in Part C who report that early intervention services have helped the family:				
a. Know their rights	81.19%	81.25%	100.00%	NA
b. Effectively communicate their children's needs	86.40%	85.71%	100.00%	NA
c. Help their children develop and learn	84.06%	81.11%	100.00%	NA
5. Percent of infants and toddlers birth to 1 with IFSPs compared to national data	1.09%	1.16%	NA	NA
6. Percent of infants and toddlers birth to 3 with IFSPs compared to national data	3.04%	3.55%	3.88%	NA
7. Percent of eligible infants and toddlers with IFSPs for whom an initial evaluation, initial assessment, and initial IFSP meeting were conducted within Part C's 45-day timeline	100.00%	99.62%	100.00%	1
8A. Percent of toddlers with disabilities exiting Part C with timely transition planning for whom the lead agency has developed an IFSP with transition steps and services at least 90 days and at the discretion of all parties, not more than nine months, prior to the toddler's third birthday.	100.00%	99.88%	100.00%	1
8B. Percent of all toddlers with disabilities exiting Part C with timely transition planning for whom the lead agency has notified (consistent with any opt-out policy adopted by the state) the SEA and LEA where the toddler resides at least 90 days prior to the toddler's third birthday for toddlers potentially eligible for Part B preschool services.	100.00%	98.80%	100.00%	1

Table 4 Compliance Component - Monitoring Priorities and Indicators				
Indicator	State Target	State Results	County Results	Points Received
8C. Percent of all toddlers with disabilities exiting Part C with timely transition planning for whom the lead agency has conducted the transition conference held with the approval of the family at least 90 days, and at the discretion of all parties, not more than nine months prior to the toddler's third birthday for toddlers potentially eligible for Part B preschool services.	100.00%	98.77%	100.00%	1
9. Percent of hearing requests that went to resolution sessions that were resolved through resolution session settlement agreements (applicable if Part B due process procedures are adopted).	NA	NA	NA	1
10. Percent of mediations held that resulted in mediation agreements.	100.00%	NA	NA	1
Timely correction of a finding of non-compliance (general supervision).	100.00%	100.00%	NA	1

Table 4 Compliance Component - Monitoring Priorities and Indicators				
Indicator	State Target	State Results	County Results	Points Received
1. Percent of infants and toddlers with individualized family service plans (IFSPs) who receive the early intervention services on their IFSPs in a timely manner.	100.00%	99.91%	99.13%	1
2. Percent of infants and toddlers with IFSPs who primarily receive early intervention services in the home or community-based settings.	99.00%	99.49%	99.19%	1
3. See Table 3				

Table 4 Compliance Component - Monitoring Priorities and Indicators				
Indicator	State Target	State Results	County Results	Points Received
4. Percent of families participating in Part C who report that early intervention services have helped the family:				
a. Know their rights	81.19%	81.25%	73.68%	NA
b. Effectively communicate their children's needs	86.40%	85.71%	78.95%	NA
c. Help their children develop and learn	84.06%	81.11%	78.95%	NA
5. Percent of infants and toddlers birth to 1 with IFSPs compared to national data	1.09%	1.16%	1.92%	NA
6. Percent of infants and toddlers birth to 3 with IFSPs compared to national data	3.04%	3.55%	3.79%	NA
7. Percent of eligible infants and toddlers with IFSPs for whom an initial evaluation, initial assessment, and initial IFSP meeting were conducted within Part C's 45-day timeline	100.00%	99.62%	100.00%	1
8A. Percent of toddlers with disabilities exiting Part C with timely transition planning for whom the lead agency has developed an IFSP with transition steps and services at least 90 days and at the discretion of all parties, not more than nine months, prior to the toddler's third birthday.	100.00%	99.88%	100.00%	1
8B. Percent of all toddlers with disabilities exiting Part C with timely transition planning for whom the lead agency has notified (consistent with any opt-out policy adopted by the state) the SEA and LEA where the toddler resides at least 90 days prior to the toddler's third birthday for toddlers potentially eligible for Part B preschool services.	100.00%	98.80%	100.00%	1

Table 4 Compliance Component - Monitoring Priorities and Indicators				
Indicator	State Target	State Results	County Results	Points Received
8C. Percent of all toddlers with disabilities exiting Part C with timely transition planning for whom the lead agency has conducted the transition conference held with the approval of the family at least 90 days, and at the discretion of all parties, not more than nine months prior to the toddler's third birthday for toddlers potentially eligible for Part B preschool services.	100.00%	98.77%	100.00%	1
9. Percent of hearing requests that went to resolution sessions that were resolved through resolution session settlement agreements (applicable if Part B due process procedures are adopted).	NA	NA	NA	1
10. Percent of mediations held that resulted in mediation agreements.	100.00%	NA	NA	1
Timely correction of a finding of non-compliance (general supervision).	100.00%	100.00%	NA	1
