

Maka walwalsan tahay kharashka talaalada carruurtaada?

Waxaad u qalmi kartaa tallaalo bilaash ah oo laga helo barnaamijka Talaalada Carruurta (Vaccines for Children, VFC).

Carruurta ka yar da'da 19 ee ku jira ugu yaraan mid ka mid ah kooxaha soo socda ayaa xaq u leh tallaalka VFC:

Medicaid (BadgerCare Plus) oo diiwaangashan ama loo qalmo

Majiro caymis caafimaad

Ku jira caymis yar*

Hindida Mareykanka ama Alaska Native

*Caymis yaridu waxaa loola jeedaa in caymiska caafimaadka ee cunugaagu uusan guud ahaan daboolin dhammaan talaalada. Waxay ku heli karaan tallaalada aan caymiska lahayn ayadoo kharash la'aan looga helaayo VFC Xarunta Caafimaadka ee Federaaliga ah (Federally Qualified Health Center, FQHC) ama Rugta Caafimaadka Rural Health (Rural Health Clinic, RHC). Fadlan horey u soo wac si aad u xaqiijiso in dhakhtarku uu tallaalay carruurta aan caymiska buuxin helin.
